

LED CORRIDOR FIXTURE—4'

PRODUCT DESCRIPTION:

TechBrite's LED Corridor Fixture blends multi-use with a sleek design. It features an advanced diffuser design—engineered with a technical specification to increase light distribution and mask the unsightly pixilation created by the LED diodes. The TechBrite LED Corridor Fixture is a versatile, affordable and valuable addition to the LED fixture offering.

FEATURES:

- Integral sensor available
- Soft white, low glare diffuser
- Engineered diffuser to maximize LED performance
- LPW > 130
- 0-10v Dimming standard
- Limited warranty: 5 years on luminaire

APPLICATIONS:

- Corridors
- Stairwells
- Vanity
- Retail
- Commercial
- Health Care
