SOTA LED FIXTURE — 4'

PRODUCT DESCRIPTION:

The SOTA LED Fixture is the quick, easy, and economical way to modernize any commercial and industrial space. Building upon the Strip Fixture platform, the SOTA LED Fixture is constructed with quality pre-painted steel designed to withstand tough environments. TechBrite's SOTA LED Fixture blends high LPW—as much as 135 LPW—with an economical design. The SOTA LED Fixture is easily customizable with sensors, wireless controls, cords, hanging kits—just to mention a few. New construction or retrofitting an existing space, TechBrite's SOTA LED Fixture is the perfect solution.

FEATURES:

- Available with and without a lens
- Up to 135 LPW*
- Wireless control ready
- 4 Foot and 8 foot (See 8 foot spec sheet for details)
- Surface or suspended mounting
- Continuous row mounting available
- 0-10v Dimming standard
- Limited warranty: 5 years on luminaire

PERFORMANCE SPECIFICATION:

Lumens	4520
Watts	41.0
LPW	114.0
Color	3000
CRI	83.5
L70	L70 @ > 200,000
L85	L85 @ > 110,000
Max Ambient Temp	135° F
Min Ambient Temp	-4° F
Dimming	0-10v Dimming to 1%
Driver Voltage	120/277
Chip	Samsung B+ S4
Driver	UNVLT - D10CC55UNVTZ-C

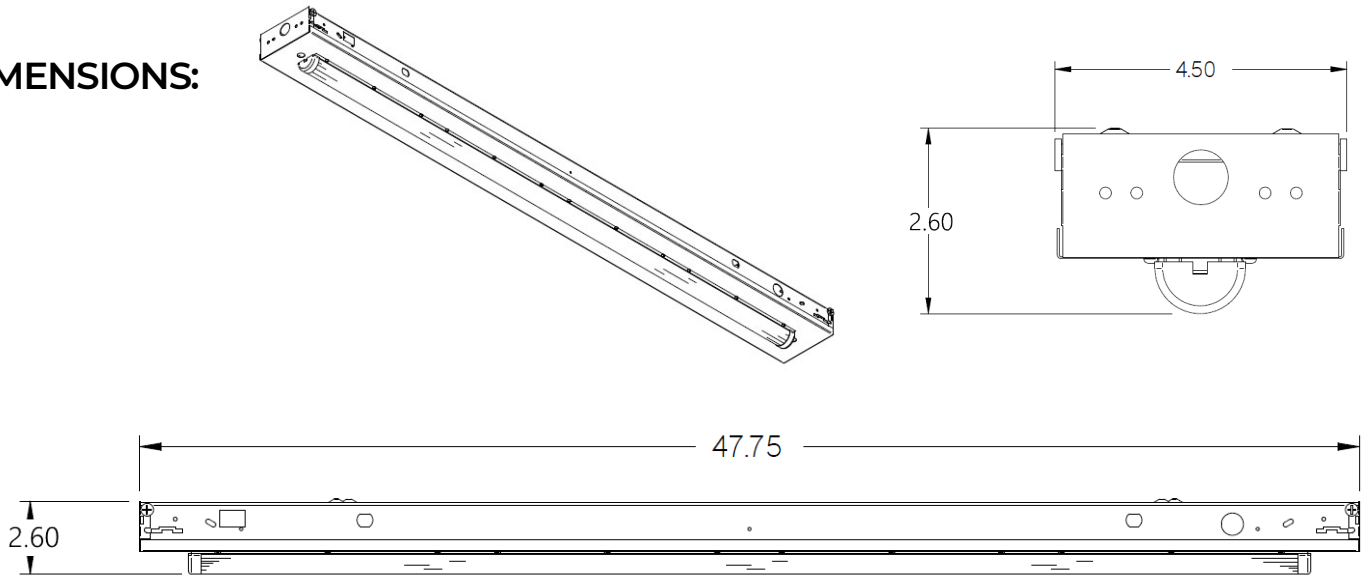

- * Actual Performance Data for SL44SS1B30CL0XX
- * UL Verification Services Test # 12223046.04
- * In high efficiency configuration
