# LED WALL MOUNT DOOR PACK

## PRODUCT DESCRIPTION:

TechBrite's LED Door Pack is the quick, easy-to-install solution for general outdoor lighting. The TechBrite LED Door Pack has many applications: building facades, parking garages, stairways, pathways, storage areas, etc. The LED Door Pack has three power options—15w, 17w or 25w. The powder coated body is designed for the harshest elements, and the polycarbonate lens reduces discoloration and cracking. Save energy and improve light output by installing TechBrite's LED Door Pack.

## FEATURES:

- Dusk to Dawn photocell available
- Easy to install
- Powder coated aluminum die cast body
- Polycarbonate lens
- Limited warranty: 5 years on luminaire
- UL Wet Location listed
